

## CHILD LIFE DEPARTMENT HOLIDAY WISH LIST

Thank you for your interest in contributing to Christmas morning this year. Without you, the magical Christmas morning would not happen. Through your generosity, we are able to provide each child and teen a Santa bag full of gifts.

The Child Life Department serves all pediatric patients and normalizes the hospital environment by celebrating holidays and birthdays, operating playrooms and a teen room, as well as coordinating special events. Any gifts remaining after Christmas will be used to support these other programs.

All items must be newly purchased. We request that all deliveries are made by December 15th in order for the elves to get Santa's bags packed. We appreciate your generosity and see the delight of those who receive. We wish you a wonderful holiday season.

To schedule delivery please call:
